FY21 HIGHLIGHTS

Continuing strong portfolio, investment and community outcomes

- 18.5% growth in net operating profit driven by contracted rental growth, acquisitions and development completions and lower finance costs.
- 15% growth in NAV highlights essential nature of early learning (ELC) and healthcare properties.
- \$106 million of capital deployed in FY21:
 - \$40 million acquisition of seven operating ELC properties; and
 - Continued delivery of development completions and expanded development pipeline.
- Divestment of six ELC properties at 16% premium to book value.
- Existing long WALE further increased to 20.1¹ years.
- Gearing ratio of 19.9%².
- FY22 DPS guidance of 15.8 cents per security, an increase of 6.8%³ on FY21.

1. Post balance date portfolio lease renegotiation with Goodstart included an increase of 25 years of term on 87 ELC properties.

2. Gearing calculated as ratio of net borrowings over total assets less cash.

3. Guidance is estimated on a status quo basis assuming no new acquisitions or disposals, all developments in progress are completed in line with forecast assumptions, tenants comply with their existing or adjusted lease obligations and is based on Arena's current assessment of the future impact of COVID-19 pandemic (which is subject to a wide range of uncertainties) and assumes ongoing government support of the early learning sector.

4. EPS is calculated as net operating profit over weighted average number of securities on issue.

DELIVERING ON STRATEGY

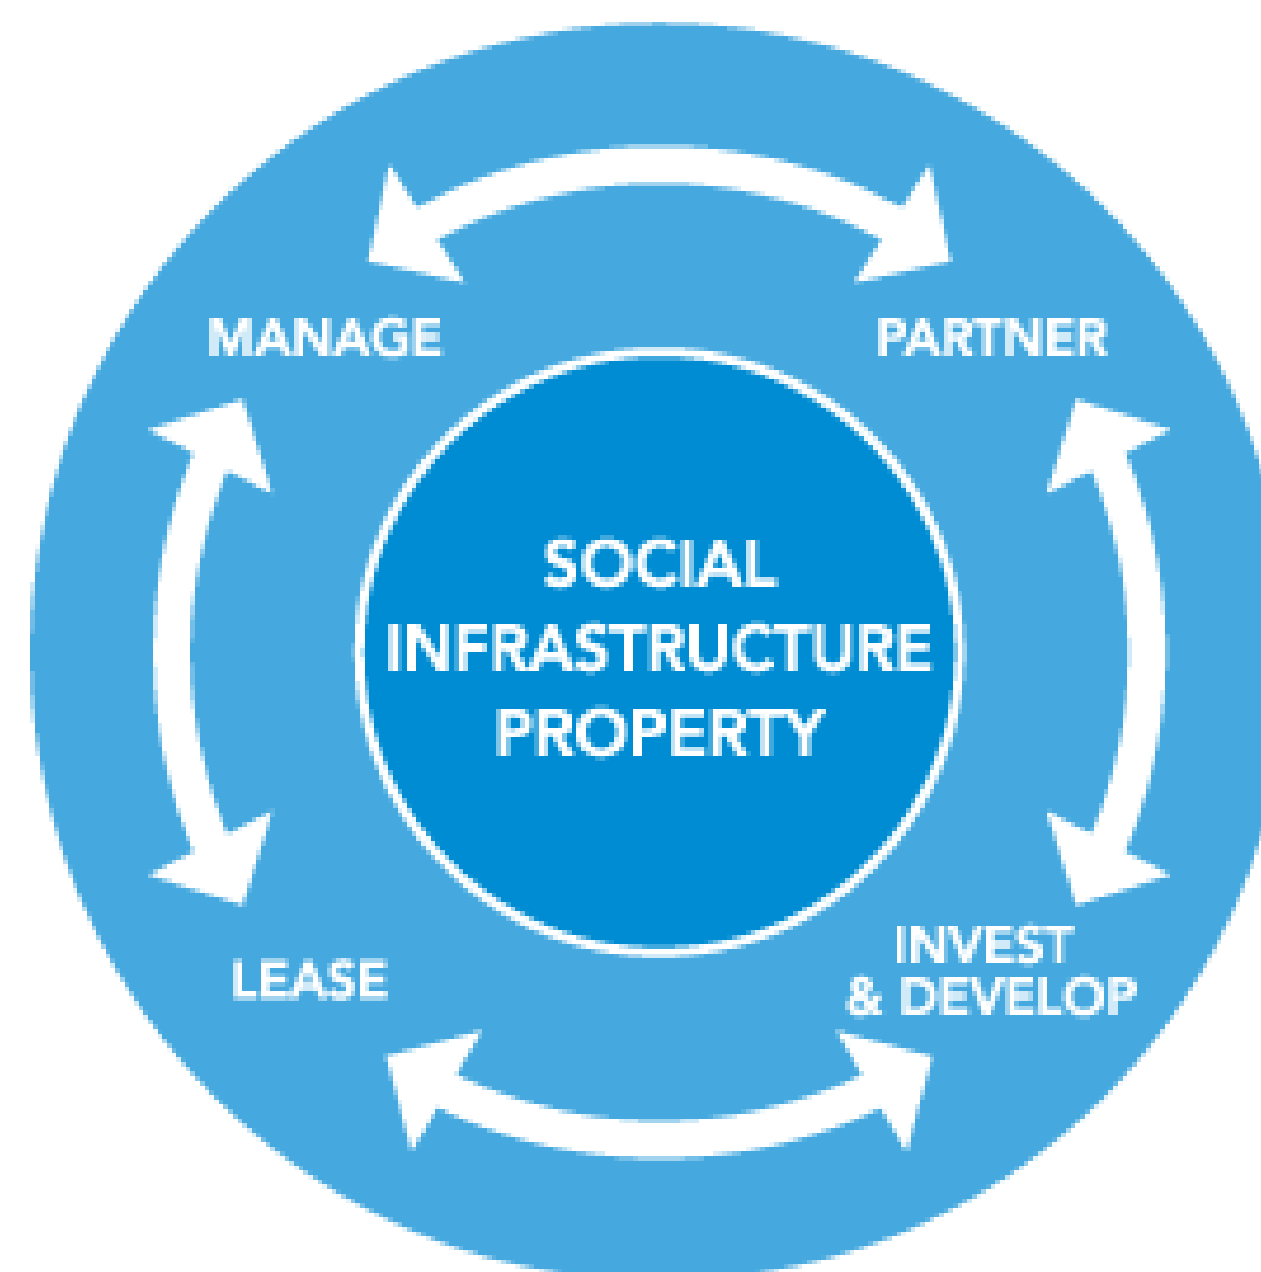

Strategy discipline and working in partnership continue to deliver positive outcomes

Portfolio management:

- Portfolio weighted average lease expiry (by income) increased to 20.1^{1,2} years.
- Six ELC properties sold at average premium of 16% to book value.
- Net valuation uplift of \$107.6 million.
- Portfolio weighted average passing yield 5.77%.

Lease management:

- Post balance date portfolio lease renegotiation with Goodstart on 87 ELC properties across Australia².
- 100% portfolio occupancy.
- Average FY21 like-for-like rent increase of +3.3%³.

Working in partnership:

- Continue to rollout the installation of renewable energy systems.
- Completed rejuvenation of six ELCs in partnership with two tenant groups.
- All tenant partners remain compliant with COVID-19 rent relief agreements⁴.

Investment and developments:

- Seven operating properties acquired at an average net initial yield of 6.1% on total cost with initial weighted average lease expiry of 27.3 years.
- 14 ELC developments completed at an average net initial yield on total cost of 6.6% with initial weighted average lease expiry of 20.8 years.
- Nine new ELC development projects acquired with forecast total cost of \$54 million⁵.

1. Pro-forma WALE as at 30 June 2021.

2. Arena REIT (ASX: ARF) ASX Announcement Market Update 29 July 2021.

3. Includes 25 market rent reviews from FY20 which were all resolved at an average increase of +6.5%.

4. Under the National Cabinet Mandatory Code of Conduct landlords are obliged to provide eligible tenants rental relief in proportion to the reduction in trade resulting from COVID-19.

5. Excludes two ELC projects that were conditionally contracted prior to, and one ELC project that was unconditionally contracted post, 30 June 2021.

COVID-19 UPDATE

Arena's portfolio accommodates essential services

- All of Arena's properties currently remain open and in operation.
- 100% of contracted rent has been receipted for the period 1 July 2020 to 30 June 2021.
- Origination and development programs largely unaffected.
- Medical centre properties assisting in national COVID-19 vaccination program and precedent for strong recovery in elective procedures following easing of any COVID-19 related restrictions.
- The essential nature of the services provided by the ELC sector was reinforced through the various COVID-19 related funding commitments¹ over the last 12 months. The Federal Government has recently committed a further investment of \$1.7 billion² to the sector to:
 - Support ongoing economic recovery in the short term; and
 - Improve workforce participation, gender equality, women's financial security and economic activity over the medium to long term³.

SUSTAINABILITY

Investment proposition and approach drives sustainability and commercial outcomes

Sustainability outcome

- Develop, own and manage social infrastructure property which facilitates access to essential educational and healthcare services provided by our current tenant partners across multiple local communities.
- Installation of solar renewable energy systems reduces the carbon emissions of tenant partners:
 - >21% of Arena's properties currently using; and
 - Additional 45% of properties are in the process of installing.
- Increasing stakeholder engagement with regard to sustainability.
- Increasing and updating leading framework indicators.
- Additional sustainability priorities over the short and medium term for ongoing action and future reporting.

Commercial outcome

- Proven track record in securing and executing on high quality opportunities which provide efficient, flexible and well located accommodation at sustainable initial and ongoing rent.
 - Disciplined investment process delivering ongoing EPS, DPS and NAV growth.
 - Operating cost savings for tenant partners.
 - Rentalisation of cost of installation of renewable energy systems over the life of lease or increased valuation upside and predictability of income through lease extensions.
 - Partnership approach delivers mutually beneficial outcomes for our team, tenant partners and ultimately our investors.
 - Broadened universe of capital providers with mandate to invest.

Earnings per security (EPS¹) (cents)	15.2	14.55	0.65	+4.5%
Distribution per security (DPS) (cents)	14.8	14.0	0.80	+6%

- Property income continues to increase due to:
 - Contracted annual rental growth and market rent reviews;
 - Acquisition of operating ELC properties; and
 - ELC developments completed during FY20 and FY21.
- Higher statutory net profit arising from both increased property income and property valuation uplift, profits on sale of divested properties and positive revaluation of interest rate hedges.
- Finance costs lower due to reduced cost of debt and relatively higher capitalisation of interest due to increased development work in progress during FY21.

1. EPS is calculated as net operating profit over weighted average number of securities on issue.

ELC OPERATING ENVIRONMENT

Strong macroeconomic drivers continue to support Australian ELC sector

- Government support was improved by the introduction of Childcare Subsidy (CCS) in July 2018 and the essential nature of the services provided by the ELC sector was reinforced through the various COVID-19 related funding commitments¹ over the last 12 months.
- The Federal Government has recently committed a further investment of \$1.7 billion² to the sector to:
 - Support ongoing economic recovery in the short term; and
 - Improve workforce participation, gender equality, women's financial security and economic activity over the medium to long term³.
- Strong structural demand for services and record female workforce participation rate continue to drive increased long day care (LDC) participation rates over the medium to long term^{4,5}.
- Net new ELC supply to 30 June 2021 was +3.65%⁶.

ELC PORTFOLIO

Portfolio strength continues to be underpinned by quality offering

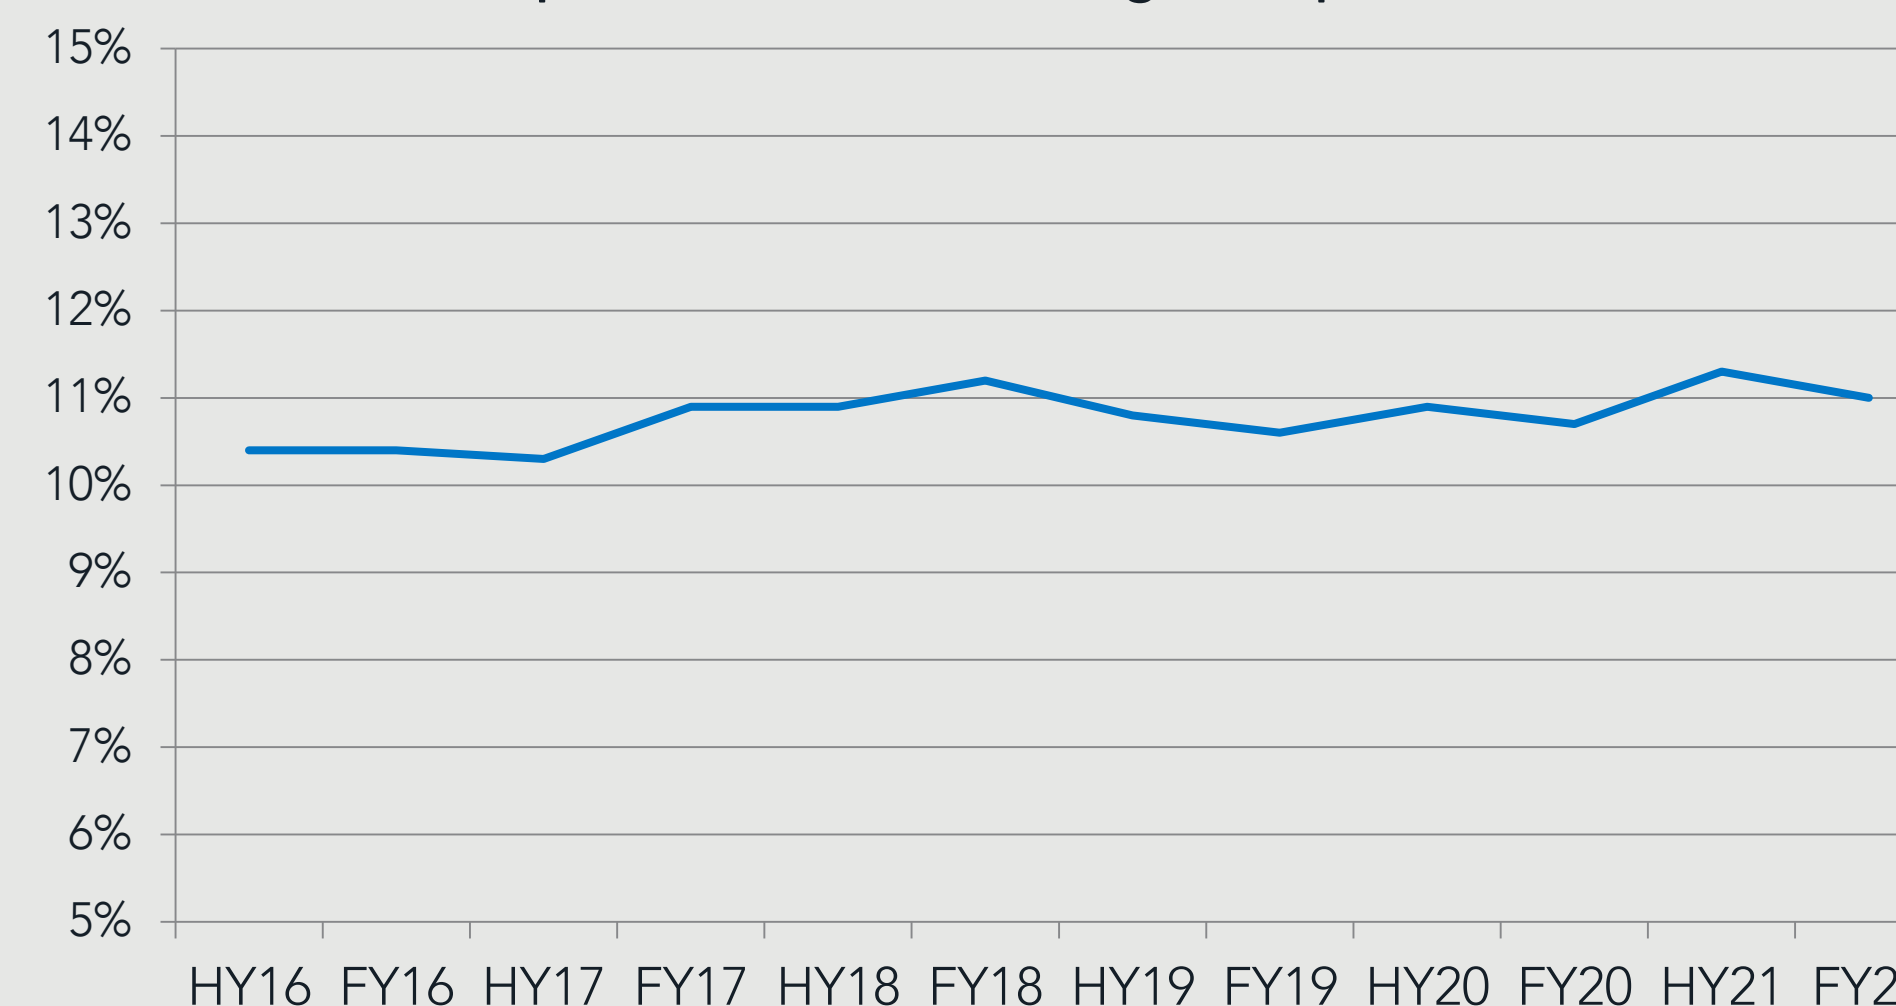

100% portfolio occupancy as at 30 June 2021.

Arena's ELC portfolio operating data¹ to 31 March 2021:

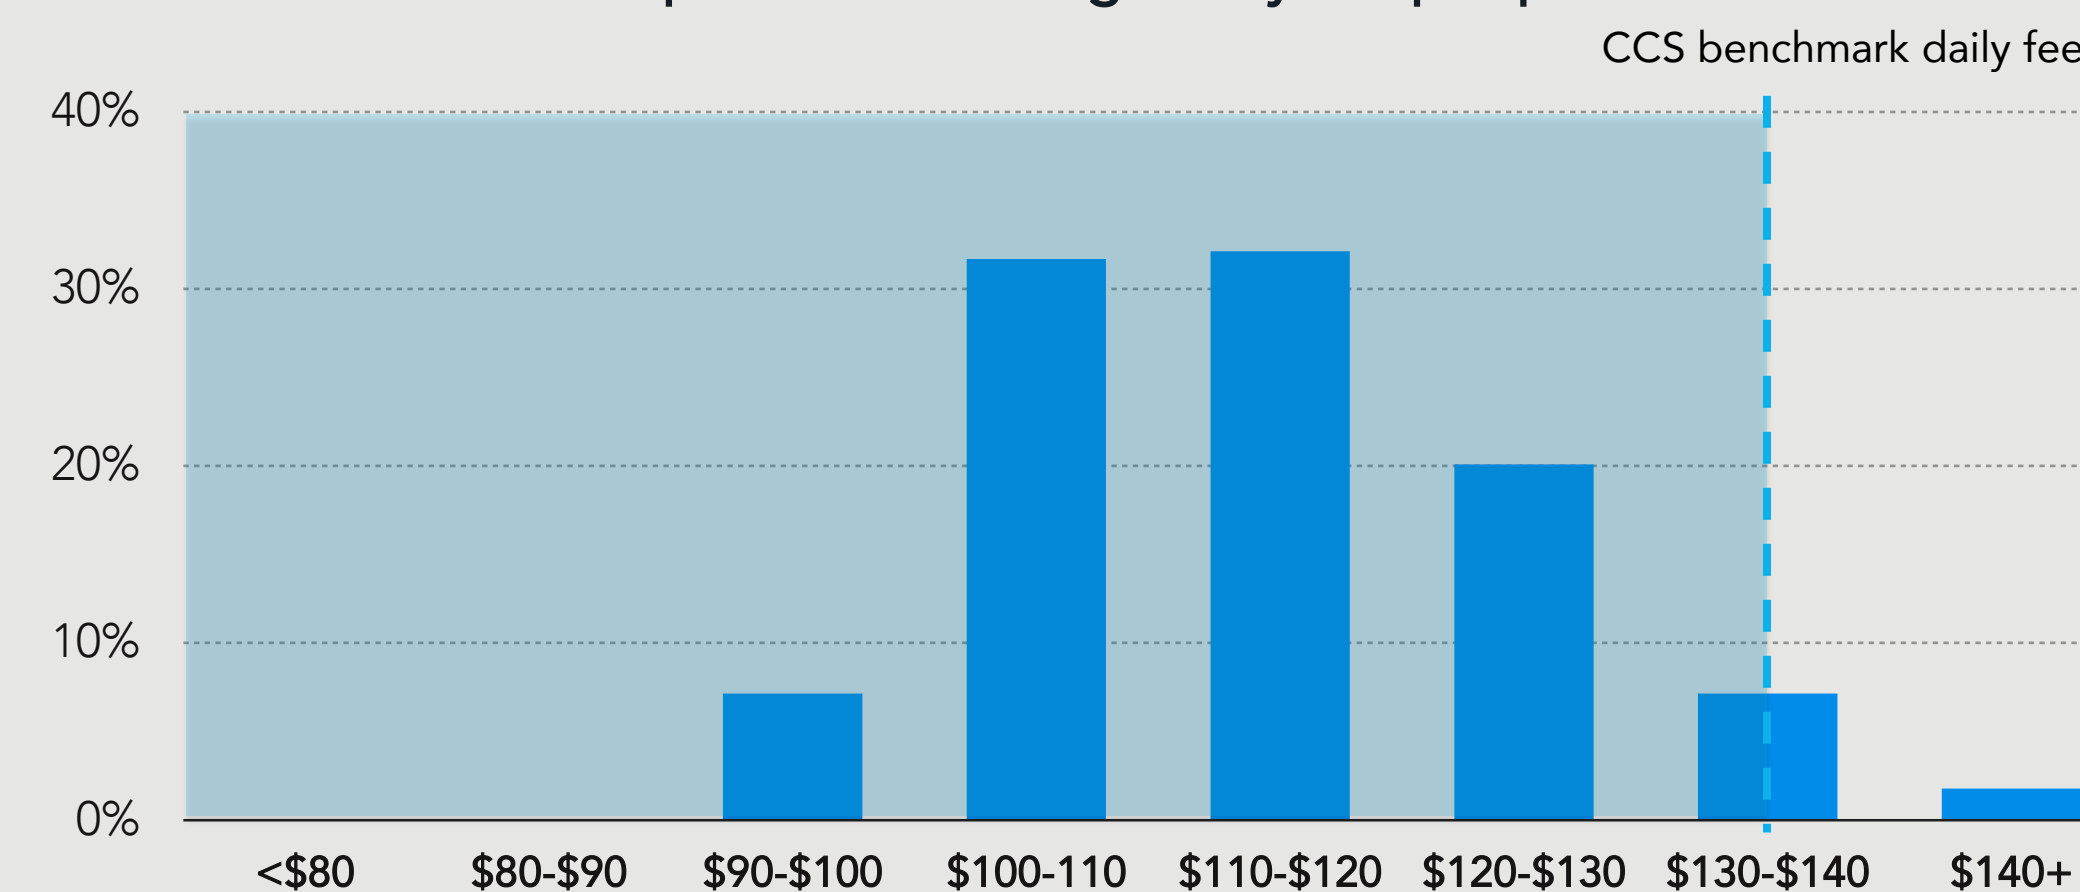

- Overall ELC occupancy is higher as compared with previous average 31 March occupancy.
- Average daily fee of \$114.16²:
 - +0.44% from 31 December 2020²; and
 - +4.51% from 31 March 2020².
- Net rent to revenue ratio of 11.0%².

1. Arena analysis based on operating data provided by Arena's tenant partners as at 31 March 2021.
2. COVID-19 related impacts to ELC operator revenues, government subsidies and attendances may diminish the like-for-like accuracy of these measures during the period.
3. Assumes CCS fully covers a daily fee of approximately \$135.40 based on CCS capped hourly fee of \$12.31 per hour over an 11 hour day.

HEALTHCARE SECTOR & PORTFOLIO

Strongly sought after asset class

- Strong structural macro-economic drivers continue to support Australian healthcare accommodation including growing and ageing population and increased prevalence of chronic health conditions.
- Medical centres participating in COVID-19 vaccination roll-out.
- Strong occupancy has been maintained across the specialist disability accommodation portfolio.
- Increased domestic and international interest in Australian healthcare property and increasing interest in social infrastructure property more generally.

OUTLOOK

Long term income predictability with inflation protection

INCOME GROWTH

- FY22 distribution guidance of 15.8 cents per security, an increase of 6.8%¹ on FY21.
- Annual rent increases:
 - >76% of rent reviews in FY22 and FY23 will increase at the higher of an agreed fixed amount or CPI; and
 - 16% of FY24 reviews are market rent reviews.
- Full impact of FY21 and partial impact of FY22 acquisitions and development completions.
- \$91 million development pipeline comprising 15 ELC projects².

OUTLOOK

- Essential nature of early learning and healthcare reinforced through COVID-19 period.
- Gearing³ at 19.9%, no debt expiry until March 2024.
- Proven ability to secure and execute on high quality opportunities while maintaining a disciplined investment process for opportunities that meet Arena's preferred property characteristics.

1. Guidance is estimated on a status quo basis assuming no new acquisitions or disposals, all developments in progress are completed in line with forecast assumptions, tenants comply with their existing or adjusted lease obligations and is based on Arena's current assessment of the future impact of COVID-19 pandemic (which is subject to a wide range of uncertainties) and assumes ongoing government support of the early learning sector.
2. Includes two ELC projects that were conditionally contracted prior to, and one ELC project that was unconditionally contracted post, 30 June 2021.
3. Gearing calculated as ratio of net borrowings over total assets less cash.

Investment objective:
To deliver an attractive and predictable distribution to investors with earnings growth prospects over the medium to long term.
