# HIGHLIGHTS

## Delivering on our investment objective and improving community outcomes

- +8.6% growth in net operating profit driven by like-for-like contracted rental increases averaging +6.45%, acquisitions and development completions.
- Statutory net profit was -74% primarily due to lower investment property revaluation gain.
- Increase in NAV per security due to positive investment property revaluations arising from underlying increases in market rents.
- Increase in borrowing facility and extension of debt facility term.
- \$500 million Sustainability Linked Loan (SLL) issued over existing debt facility.
- Strategy discipline underpins ongoing acquisitions, completion of seven ELC developments, expansion of the development pipeline and divestments.
- Weighted average lease expiry (WALE) of 19.5 years.
- Reaffirm full year 2023 (FY23) distribution guidance of 16.8 cents per security, reflecting growth of 5% over financial year 2022 (FY22) DPS<sup>2</sup>.

# DELIVERING ON STRATEGY

Ongoing strategy discipline and partnership approach

## Portfolio management:

- Two healthcare properties were contracted for sale as at 31 December 2022 at an average premium of 2.4% to 30 June 2022 book value.
- Long portfolio WALE (by income) of 19.5 years.
- Portfolio weighted average passing yield 5.05%.
- Net valuation uplift of \$18 million, +1.3%.

## Lease management:

- 99.6% portfolio occupancy.
- Average like-for-like rent increase of +6.45%.
- Leases extended to facilitate installation of solar.

## Working in partnership:

- Continue to progress solar renewable energy program; currently installed on 81% of Arena's property portfolio.
- All tenant partners are compliant with COVID-19 rent relief agreements<sup>1</sup>.

## Investment and developments:

- Two operating properties acquired at a net initial yield of 6.0% on total cost with initial average lease term of 25 years.
- Seven ELC developments completed at an average net initial yield on total cost of 5.9% with initial average lease term of 20 years.
- Seven new ELC development projects acquired with forecast total cost of \$55 million<sup>2</sup>.

1. Under the National Cabinet Mandatory Code of Conduct landlords were obliged to provide eligible tenants rental relief in proportion to the reduction in trade resulting from COVID-19.

2. Includes one ELC development project which was conditionally contracted at 31 December 2022

# SUSTAINABILITY

## Investment proposition and partnership approach drives sustainable and commercial outcomes

- Sustainability is integral to Arena's investment approach and best positions Arena to achieve positive long term commercial and community outcomes.
- Arena's portfolio facilitates access to essential community services with positive social impact:
  - ELCs provide early childhood education and care which improve lifelong learning prospects of children and allow parents and carers the opportunity to remain in, join or re-join the workforce.
  - Medical centres provide local, community-based primary health care services.
  - Specialist disability accommodation is designed to provide a better quality of life for residents with high physical support needs.
- Key future sustainability goals as outlined in Arena's FY22 Sustainability Report include:
  - Continued active collaboration with tenant partners on appropriate sustainability initiatives.
  - Install solar renewable energy systems on 90% of Arena's property portfolio by FY27.
  - Maintain organisational carbon neutrality Climate Active certification.
  - Develop a detailed transition plan including an emissions reduction roadmap for our operations and asset portfolio by FY25.
  - Align reporting with recommendations of TCFD by FY25.
  - Achieve gender balance for Arena board using the 40:40:20 model by FY24.
  - Develop a Reconciliation Action Plan that is endorsed by Reconciliation Australia.
  - Continue to build on our Modern Slavery response in line with our roadmap.

<b>Distribution per security (DPS) (cents)</b>	<b>8.40</b>	<b>7.90</b>	<b>0.50</b>	<b>+6%</b>

- Property income continues to increase due to:
  - Contracted annual rental growth;
  - Rental income from operating ELC acquisitions; and
  - Rental income from ELC development completions.
- Lower statutory net profit primarily from lower investment property revaluation gain.
- Finance costs higher due to increased cost of debt, increase in facility limit, extension of debt term and an increase in the balance of debt drawn.

# ELC OPERATING ENVIRONMENT

## Strong social and macroeconomic drivers continue to support early learning sector

- Record female workforce participation rate has been driving demand for services and increased long day care participation rates over the medium to long term<sup>1,2</sup>.
- In late November 2022 the Australian Federal Government's Cheaper Childcare Bill successfully passed through the Senate<sup>3</sup>.
- From 1 July 2023 Australian families will benefit from the following improved affordability measures:
  - Increasing the maximum Childcare Subsidy (CCS) rate to 90% for the first child in care;
  - Retaining the increased CCS rate at a maximum of 95% for subsequent children in care; and
  - Increasing the CCS for every family earning less than \$530,000 in annual household income, with one child in care.
- These measures have been designed to improve lifelong learning prospects of Australian children, increase workforce participation, improve gender equality, including women's financial security and to stimulate broader economic activity over the medium to long term<sup>4</sup>.
- Early signs of improving conditions to attract and retain skilled labour for ELC operators.
- Net new ELC supply to 31 December 2022 was +2.8%<sup>5</sup>.
- ACCC commences inquiry into the market for the supply of childcare services<sup>6</sup>.

## Portfolio strength underpinned by asset quality

- 99.6% portfolio occupancy as at 31 December 2022.
- Arena's ELC portfolio operating data<sup>1</sup> to 30 Sep 2022:
  - Average daily fee of \$127.31:
    - +5.22% from 31 March 2022; and
    - +8.95% from 30 September 2021.
  - Underlying operator occupancy (as reported by Arena's tenant partners) remains robust and higher than any prior corresponding period over the past six years.
  - Net rent to revenue ratio of 10.7%.

1. Arena analysis based on operating data provided by Arena's tenant partners as at 30 September 2022.  
2. Assumes CCS fully covers a daily fee of approximately \$140.14 based on CCS capped hourly fee of \$12.74 per hour over an 11 hour day.

# HEALTHCARE SECTOR & PORTFOLIO

## Supportive macroeconomic drivers

- Strong structural macroeconomic drivers continue to support Australian healthcare accommodation including a growing and ageing population and increased prevalence of chronic health conditions.
- Ongoing domestic and international investor interest in Australian healthcare property continued to support price strength in this sector during the period.
- Two healthcare properties at Caboolture, Qld and Bondi, NSW were contracted for sale as at 31 December 2022 at an average premium of 2.4% to 30 June 2022 book value.
- Strong occupancy has been maintained across the specialist disability accommodation portfolio.

# OUTLOOK

Inflation protected, predictable long term income

## INCOME GROWTH

- FY23 distribution guidance of 16.8 cents per security, an increase of 5%<sup>1</sup> on FY22.
- Attractive rent review structure with embedded income growth and inflation protection: >90% of FY23, FY24, FY25 and FY26 rent reviews contracted at CPI, the higher of CPI or an 'agreed fixed amount', or market rent reviews.
- Full impact of FY22 acquisitions and development completions and partial impact of FY23 development completions.
- \$106 million development pipeline comprising 15<sup>2</sup> ELC projects with \$66 million of capital expenditure outstanding.

## OUTLOOK

- Strong social drivers continue to support the early learning and healthcare sectors.
- Higher interest rates substantially offset by ongoing hedging discipline, expanded liquidity and substantial capacity with gearing<sup>3</sup> at 21.5%.
- Proven ability to secure and execute on high quality opportunities while maintaining a disciplined investment process for opportunities that meet Arena's preferred property characteristics.

1. FY23 distribution guidance is estimated on a status quo basis assuming no new acquisitions or disposals and no material change in current market or operating conditions.

2. Includes one ELC development project which was conditionally contracted at 31 December 2022.

3. Gearing calculated as ratio of net borrowings over total assets less cash.

### Investment objective:

To deliver an attractive and predictable distribution to investors with earnings growth prospects over the medium to long term.
